

PAYING FOR YOUR FLYING

Another great year of flying is about to be underway at Midstate Aviation. So, for new and returning students, here are some payment options that might fit your needs in order to keep your account in a “flying status”. Every time you fly or have ground instruction, you will sign a copy of your current charges and an account balance is reflected on every invoice. You must make one of the following choices at that time:

- 1) **Pay-as-you-go:** Payment **must** be made after every flight or ground instruction by cash, check or credit card.

- 2) **Block Payment:** Pre-payment for flying by putting a credit on your account. The following discounts will be given on amounts pre-paid by cash or check; credit card payments will not be given this discount:
$$\begin{array}{l} \$1,000.00 - \$2,500.00 = 1.5\% \\ \$2,501.00 - \$5,000.00 = 2\% \\ \$5,001.00 - \text{and up} = 3\% \end{array}$$

- 3) **Credit Card on file:** Midstate can keep your credit card number on file. We would process your credit card for the balance of your account after each billing. Please fill out the bottom portion of this form, if this is the option you select, and return to Midstate Aviation office.

We expect all monies to be pre-paid, you **will not** be allowed to fly with a negative account balance. You will receive a monthly statement, which will show all your flying activity for the month and credit balance.
